Your students will earn a HIGH SCHOOL DIPLOMA – NOT A GED

Phillip Roy Academy

Operate your own School

PURPOSE: Our purpose is to have your students learn and retain academic and personal life skills for the 21st century as they earn their high school diploma.

A High School Diploma is important to your students because it will help them in:

- getting a job
- increasing their self-image
- being accepted in some colleges and other schools to advance their education
- succeeding in life
- increasing their knowledge in academics
- having the required credentials for public employment
- advancing in the job
- increasing their knowledge in daily living skills

OFFER YOUR STUDENTS A HIGH SCHOOL DIPLOMA

If you have a school or organization that has students that want or need a high school diploma you should consider offering them the high school diploma issued from Phillip Roy Academy.

We realize that many students want diplomas that teach basic academic and life skills. We fulfill this need.

The cost of this diploma is only \$100.00 per student for Phillip Roy Academy to issue the diploma. Your school or organization can, of course, offer it to your students at any price you wish. **We do not sell to individuals. We only sell to schools and organizations.**

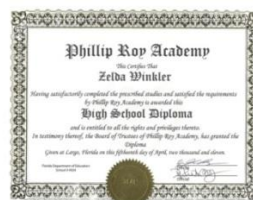

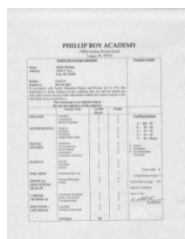

If you wish to sell this multi-media curriculum to your students your only cost for this complete curriculum is \$295.00. This includes reference books, academic materials, and online life skills materials. Teacher's guides are also included. **This is an open-book curriculum.**

This is your only cost as the students pay their diploma fee. You pay Phillip Roy Academy \$100.00 per student.

Phillip Roy Academy is a private school located in Florida. Our school number is 4924 which permits us to issue high school diplomas.

A high school diploma issued by any private or public school does not guarantee admission or acceptance into any school, college, military or getting a job or job advancement. For additional information please call: 727-593-2700 between 9:00 am and 5:00 pm, EST.
