PHILLIP ROY, INC.'S GOAL is to teach students life skills and academic skills with lessons presented to them in an understandable, familiar, encouraging, and enjoyable way.

Phillip Roy, Inc. believes that education needs to:

- Go beyond traditional skills.
- Prepare students to earn a living by increasing their vocational skills, entrepreneurship skills, academic skills, social skills and life skills.
- Be relevant to the students' needs and interests.
- Help students succeed in becoming productive citizens.
- Help students live successful and productive lives.
- Increase the students' self-esteem and feelings of self-worth.
